of stealing a horse and buggy from Mi ray, and lodged him in Castle Thomas. Mr. Ozermyer, messenger of Adams Co's Express, has again placed us under

obligations for St. Louis and Lifayett papere of yesterday. A SEA OF PINCH.—I. is chronicled that on Ostober 25th, \$201, a bewlof panch was made at the Right Him. Edward Russell's house, when he was Captain-tieneral and Commander-iu-Chief of His Majesty's forces in the Mediterranean. It was made in the fountain in the garden, in the middle in the fountain in the garden, in the middle of four walks, all covered overhead with lemon and orange trees, and in every walk was a table, the whole length of it covered with cold collations, ic. In the fountain were the following ingredients, viz: four hogsheads of brandy, eight hogsheads of water, twenty-five housandlemous, twenty gallons of lime juice, thirteen hundred

water, twenty-five thousand lemous, twenty gallons of lime juice, thirreen hundred weight of time Liebon sugar, five pounds of grated nutmegs, three hundred toasted biscuit, and lastly, a pipe of dry Mountain Malaga. Over the fountain was built a large canopy to keep off the rain; and there was built on purpuse a little boat, wherein was a boy who belonged to the fleet, who rowed round the fountain and filled the cups of the company; and in ail probability more than six thousand men drank from it.

The engrossing subject of thought here is the corner of Gray and Hancock streets, in which a young man, named Charles Scirage, was mortally wounded, by a knife, in the hands of a person named Bowlee, who made his escape.

The Cargrossing subject of thought here is the familie. It is now the one topio of comversation in the country, and it is feared will prove the most terrible catastrophe of incident times, which it certainly will unless the most active measures are taken to meet the cisis. Never were the demands of philanthrophy nore importance that the most active measures are taken to meet the cisis. Never were the demands of philanthrophy nore importance that the most active measures are taken to meet the cisis. South Rolin Sheehy E Stewart F.Iward Sander H Schi-man John S Shillyan John S Shillyan James Summers Win Shilth O T philanthrophy more imperative than at the present time, or the necessity of prompt and decisive action on the part of the Government more apparent. From the extreme south of Travencore we hear that the dietress has reached its height, and that persons are disposing of their children by sale, without reward to the costs or great of GATES Darid without regard to the caste or creed of the parties to whose mercies they are consigned the district literally swarms with the miser while poor, and although aided by the most thus W E ountry to guard agains' the extension calamity. The Maisbar parts, which ally draw no more than 20,000 or 30,000 Wadkins WW rahs of rice from Mangalere during the

200,009 to 309,000 morabs; and it is a question whether, in the peculiar circumstances
of the country, sleps should not be taken to
stop the expertation of food therefrom.

To understand the true nature of this
calamity and the extent of the misery the
country will soon be called upon to cope
with, a daily journal places come correct
information before the public, from which it
appears that the area of the famine will
include a population of twelve millions in nd, beyond the Ganges, the protected ries west of the Jumps, are mor untries weet of the Jumna, are more or ses euffering from the carrity of food-he same authority doubts if the population er which this famine impends, includes set than forty millions of couls. The famine will be felt in all its severity

until April or May, when the epring crop should be ripening throughout Northeru India to repleuish the stores of the country. Famine Relief Funds are being estab-SPRING LAMB

are reduced to the greatest extremit. There are to be seen, we are told, n bers of dead bodies, of children particu bers of dead bodies, of children particularly, and women laying by the side of the
roads; while orowds of women and helplese
children, deserted by their husbands and
fathers, are to be met with in a state of the
ulmost destitution."

Ilowever nobly private charity may reply
to the appeal made to it, It would be but GREAT BARGAINS

to the appeal made to it, It would be but macking the criefs that is coming to look for adequate relief therefrom. The question of money must be altogether secondary, and Government must improvise the means of meeting the calsmity in its full force. The cattle will soon have all disappeared from the face of the coustry, from the impossibility of feeding them, and the fear is that when the crisis comes, transport for the conveyance of food will be found wanted. when the crisis comes, transport for th conveyance of food will be found wanting

New York April 6.—The Government has chartered the steamer Illinois, which will goto sea under sealed orders to day or Monday. Her misls and passengers for Enrope go la the Gity of Baltimore.

The Tribune's Washington dispetch seys no official intelligence is received that Maj Anderson's snpplied have been stopped; that the authorized statement made thet the Spanish Government is not responsible for the demonstrations at St. Domingo; also, that an orders have been issued for the Spanish Government is still without istelligence whether the reinforcement of Fort Pickens has been effected, and is naturally very anxious, as orders were sent weeks ago.

A dispatch from Baltimore states that a dispatch from Baltimore from Baltimore from Baltimore from Baltimore from Baltimore from Baltimore from Government is dispatch from Baltimore from Baltimore f York, April 6 -Major Holmes, ader of the forces here, has resigned, Fort Pickens has been effected, and is naturally very anxious, as orders were sent weeks ago.

A dispatch from Baltimore states that a large body of volunteers left that city to raily around the flag of the Union in Texas under Honston.

Washington dispatches assert that the President is daily receiving numerous dispatches from all portions of the country urging ne surrender of any forte, and offering to volunteer in attempting of reinforcement. One man offers to reinforce Fort Sumpter at ten days, notice for \$5,000.

Gov. Curtin, of Penneylvania, had a long interview with Gen. Scott and Secretary Cameron to-day. It is rumored that Penneylvania will immediately assume a war footing.

Forged Virginia State bonds were sent to Livermore, Cleats & Mason, by a mon named R. M. Barbonr, alias James Elliott, who is under arrest for the forgory. It appears that the only stesmers yet chartered by the Government are the Atlantica and Illinois The former was fitting to carry nine hundred troops and provisions for sizy days. The Powhattan is probably detained to convey them to their destination. The corvette Savannah will probably he put in charge of workmen to-day. Two companies are reported to have left Fort Hamilton last night.

The steamer Water Witch was to have gone into commission at Philadelphia yes day.

Large quantities of army storse were shinned from the view left for the first were left view of the country in the conveytes of the country of the conveyte were shinned from the view left for the city to the convention of the country of the cou Boston, April 6.—Great activity is man-lfested at the Charleston navy yard, over sin) persons heing employed. The brig Bainbridge is ready for sea and is waiting for her crew. The steam frig-ates Union, Mississippi and Colorado are e Atlantic. The City of Baltimore soiled to-day for The City of Baltimore soiled to-day for Liverpool, taking \$190,000.

The steamer United Kingdom, from Glasgow on the 23d ult., arrived at Portland yesterday afternoon. News anticipated.

The Time's Washington dispatch says that Dr. Fisher, of Fenquier county, has been appointed Marsbul of Eastern Virginia. The same anthority says a dispatch has been received from a responsibla person in Charleston, 5 aking that Gen. Beauregard had left for Morris Island. He is reported to have said that Major Andereon now had but two alternatives—to evacuate Sampler in forty-eight hours or auffer bombardment. The Time's dispatch also says that the Sonthern Cammissioners express the belief that a powerful policy will prevail, but if the policy of the Federal laws, the second-ed Sistes are ready to resist to the bitter also nearly ready. The Sensation Dispatches. AUGUSTA, GA, April 6.—Little reliance is placed on the dispatches from the North respecting war preparations, but it is universally conceded that all prefer such a policy to suspense. Large Talk. CHARLESTON, April 6 — The public are by no means disappointed by the recent news of warlike movements. The Confederacy is ready to receive its visitors in any form. The supplies of Fort Sumpter are not yet out off. Affairs, however, are culminating.

New Obleans, April 5 —The report that war vessels had been ordered to the mouth of the Mississippi, created considerable

The four mile race was won by Lightning heating Planet. Time—8:2, 8:131.

Excitement in Petersburg. Petersburg, Va, April 6.—The excitement is very great and the war naws is discussed in every corner. All are willing it should come, and all say Virginia should go out of the Union.

Arkansas News.

FATETTEVILLE, Ask , April 6.—Secession and Union flage were raised here to-day, and the crowd was addressed by Secession and Union speakers.

Pleased with the Prospect.

Monroomery, April 6 - The people are pleased with the prospects of a brush, and

Seizure of a Schooner.

Norrolk, V.A., April 5.—The echoone Lucy R Warren, of Ballimore, was seizs-to-day for violation of the inspection laws.

Methodist Book Rooms

Special Notices. TRUBES.—Among the places worthy of estiontion of the visitors to Louisville at he present time, is the great trunk mannmy and emporium of J. H. McCleary, in the northeast corner of Fourth and ain streets. His large manufactory subles him to supply trunks, values, bennet and hat boxes, carpet bags, bursen trunks, etc., of the very best quality, at unprece-dented low prices. All of Mr. McCleary's work is beautiful, as well as durable goods Give him a call.

By the use of these Pills the periodic attacks of Nerross or Selt Headacht may be prevented; and, if I show at the National Hotel, having returned from the Eastern cities, is now opening his elegant etock of seasonable clothing for men's yenthe and children's wear, embracing all sizes and qualities for children from two years to the largest youths' eize. Beautiful assortment of light cassimere suits. Also a handsome stock of cloths, cassimeres, vestings, for which orders are solicited. Prices were low for cash.

FURNITUER AT COST FOR CASH — J. M.

smith & Bro. are selling out their entire stock of furniture at cost, being desirous of maxing a change in business. They are stunking any change of dirt, and the above of any stunger-cally laste venders it car to administe them to offering inducements, at a great sacrifice, to children.
